The Officer's Daily Log

Meet Hotel General Manager Michael Prasse

Michael Prasse was born and raised in North Vancouver, British Columbia, Canada. Growing up in a family of yachtsmen, he experienced sailing around some of the 40,000 different islands up and down the B.C. coast. This is what started his love for the sea at a very young age.

After his studies in Hotel & Catering management, he started his career at sea in 1986 and since then has had the pleasure of traveling to all parts of the globe.

Michael is looking forward to seeing you out and about around the beautiful Royal Princess. Welcome aboard!

By Hotel General Manager Michael Prasse

Helping you Come Back New is the role I'm privileged to play here on board. If you're seeking a comfortable place to unwind, I recommend reclining in the padded lounge chairs and allowing yourself to be pampered by attentive Serenity Stewards at The Sanctuary. That's our on-deck oasis, exclusively for adults. Or you may prefer a relaxing massage or invigorating workout at the Lotus Spa® and Fitness Center.

Of course, there are plenty of entertaining things to do on board Royal Princess®. For sports enthusiasts, there's Center Court near the top deck aft, plus a laser shooting range and a new variation on the at-sea jogging track. Others are drawn to the great deals you can find at our art auctions as well as our tax- and duty-free boutiques. Many stop by the Internet Café to keep in touch with friends and family back home or to read our blog at linkedbythesea.com. Those who want to learn more about Royal Princess can take the free self-guided Art & Architecture Tour by scanning QR codes found throughout the ship, by going to royal.princess.com/art01 or by picking up a flyer at the Art Gallery on deck 7.

Whether it's livening the afternoon with a friendly trivia contest or keeping the excitement rolling in our casino, we're all here to make your voyage unforgettable. And each of us on board is proud of our role as The Consummate Host®.

From the Navigator

Early in the morning we will pass the islands of Tiree and Coll on our starboard side and we will set north-north easterly course navigating the Sea of Hebrides. Later in the morning, when we will pass the southern part of South Uist, we will alter to port and set various northerly courses keep navigating the little Minchland, then the North Minch, leaving many islands on portside, like S.Harris, N.Uist, Isle of Lewis. On the starboard we will leave Skye and the NorthWest Highlands. Late in the afternoon, when abeam of Cape Wrath, we will alter to starboard and set easterly course navigating on the north of Scotland; we expect to pass between Duncaesby Head and Orkney Islands late in the evening. Then we will adjust the ship's headings towards Invergordon (Inverness).

Seasickness

While seasickness is surprisingly uncommon on board, if you're feeling at all sensitive to the ocean's waves, we recommend initially taking some of the over-the-counter treatments available in the boutiques. If you do not find relief from these treatments, we have a full range of prescription medications available in the Medical Center to help you fully enjoy your cruise.

Dress Code

During the day, sportswear and casual clothes are suggested. Guidelines from 5:30pm and throughout the evening are:

Formal: A Dinner Jacket or dark business suit for gentlemen and a full length evening gown, cocktail dress or trouser suit for ladies.

Did You Know?

Princess' second ship, Princess Italia, was the first modern ship built exclusively for modern-day cruising. The ship sailed with Princess from 1967 to 1973.

Whimsical Quote of the Day

"The sea, once it casts its spell, holds one in its net of wonder forever."

Shore Excursions: Tour office hours: 9:00am-Noon & 3:00pm-6:00pm Deck 5 Midship

One very important feature of taking an excursion organized by Princess is that we closely monitor the departures and returns of all excursions. Therefore, our ships do not sail until all of our organized excursion transportation has returned, so you can be assured that you won't miss the ship. Please keep in mind that when you make your own arrangements in port, or if you leave an organized excursion, we will no longer be aware of your whereabouts; so be sure to schedule yourself with ample time to return to the ship before it sails. If you're looking for bucket list adventures, nature at its finest, the coolest places in town and more, we can take you there!

Book your Shore Excursions for our upcoming ports now - Exploring cities around the world is one of the highlights of your vacation, and one of the best ways to do this is on an optional excursion.

Don't stand in line! Simply complete your tour order form and drop it in the 24 hour drop box regardless of our Tour Desk hours. Tour tickets will be delivered to your stateroom. Availability is displayed on the screen at the Tour Desk.
